

Bemidji Middle School Internet Acceptable Use Form

Student Access Contract

I understand that when I am using the Internet, I must adhere to all rules of courtesy in my communication. In order to insure my family's privacy, I will not give my home address nor phone number in messages on the Internet, nor make purchases from school computers.

I agree to: use the Internet access to do research for assignments and/or interests that are part of my curriculum at school, respect the privacy of other users and not obtain copies, nor modify the files, or other data or passwords belonging to other users. Comply with copyright and license agreements to programs, data and documents including media such as pictures and music. View or print approved educational/research material only.

I agree NOT to: Provide or gain unauthorized or inappropriate access to material or computers or another student/ staff member's work nor take part in activities that result in the loss of that student/ staff member's work. Use school technology resources for a commercial or profit-making enterprise. Play games that are not curriculum-related, nor engage in online chatting, nor use personal e-mail, nor download any programs to school computers, nor use personal disks including USB (Universal Serial Bus) drives, without a teacher's written consent.. I will not store recorded media such as music from home on school computers or file servers, share my user name or password with anyone nor use another person's school account or use anyone else's username or password.

I understand that: violating the Acceptable Use Policy may result in any or all of the following: restricted network access, loss of network access, disciplinary or legal action which may include criminal prosecution under appropriate state and federal laws, as well as District #31 action.

STUDENT: The signatures below (mine and that of my parent/guardian) mean that I have read and agree to follow the guidelines of my school's Acceptable Use Policy, which will allow me to use the Internet for classroom curriculum projects.
