Message from Mr. Luksik

Welcome to the new school year! Each month you will receive a Lincoln Address similar to this one highlighting upcoming events and past events that are happening in the school. Please make sure to take time to read through this as a parent/guardian as there will be valuable information pertaining to your child's education within the newsletter. Communication is a key component to being successful partners in education. If you have suggestions of how we could improve communication to parents please let us know. At Lincoln we are proud of the education we provide to our students on a daily basis and we want to keep partnering with you to provide the best education possible.

Thank you,

Mr. Luksik

- NO CHARGE BREAKFAST FOR ALL STUDENTS!!

We welcome all students to eat a healthy breakfast!

DROP OFF AT SCHOOL

In the morning we have many parents that are trying to drop off their child. It is important that you pull all the way forward into the drop off zone as you can to drop off your child. Please follow the signs to help make the morning drop off go more smoothly and provide a safe area for students to get out of the vehicle. No parking is allowed in the drop off lane and you will be asked to move your vehicle. Please use the 10-minute drop-off parking spots if you are accompanying your child into the school. **Reminder that drop-off time starts at 7:30.**

Upcoming events at Lincoln Elementary

September 2016

School Pictures

September 21st and 22nd
Students from all grade levels will be taking pictures on Wednesday and Thursday. Please see attached schedule for grade levels and times. There will be sibling pictures on Wednesday night from 4:00-7:00. Please call the office to schedule a time.

Bus Safety Training

Bus safety training will occur on September 19th and 20th. Please make sure to discuss this with your child. It is important that all students follow the rules on the bus to make it a safe ride for all students.

Student Drop Off and Pick Up

During the school day it is important that staff are able to be responsible for the students who they are in charge of. We ask that parents drop students off in the lobby area and check in/check out when visiting the school. It is important that you try to set up a time to visit with staff when they do not have students with them. Please call ahead to set up a time or email if you have questions or concerns. That way the staff member can give you the time needed and attention needed to address the issue. Thank you for your cooperation and understanding!

Parent Involvement

Each year we ask for parents to participate in being a volunteer at school. It is vital to our success that we have parents who are involved in our school system. Throughout the year there will be opportunities for parents to be involved with school or the classroom. Please talk with your child's teacher to see if there are ways to help at school. We also invite you to be a part of the PTO. We meet once a month to discuss ways that parents and the PTO can support our school. Please take this opportunity to be a part of our school.
