

Welcome to Lincoln Elementary, home of the Lincoln Lakers. My name is Jason Luksik and I am excited to be a member of this dynamic learning community we call Lincoln Elementary. I look forward to sharing my commitment, enthusiasm, love for kids, and education with you and your child.

There is a wonderful energy in the building and families always love the Lincoln experience. We are excited to provide quality curriculum based on research, best practice, and state standards. Lincoln Elementary is a place you will want your child's educational journey to begin.

Lincoln believes in fostering a love for learning and we are proud to offer our students many valuable educational experiences. During their time at Lincoln, your child will have classes with teachers who specialize in Art, Music, Technology, and Physical Education. Our students also have educational experiences with a wonderful library full of quality literature for students to enjoy.

You are such an important part of your child's education; after all, you are your child's first and most important teacher. We value your input and the time you spend helping your child experience educational success. We welcome you as our partner in education. Please feel free to contact your child's teacher with any questions you may have about the school day. You are also welcome to contact me with questions you may have about Lincoln Elementary. We have an open door policy and look forward to working closely with you.

The Lincoln student day is from 8:05 a.m. – 2:50 p.m. Our office is open from 7:30 a.m.– 4:00 p.m. Please call 218-333-3250 or leave a message on the answering machine after school hours.

As the principal of Lincoln Elementary, I feel blessed to have the best job in the world. Everyday I get to come to work and be with the great staff, the best families, and best of all, the wonderful children.

Sincerely,

*Mr. Luksik*
