

PARENT FOCUS GROUP

The Minnesota Department of Education (MDE) is redesigning the Individualized Student Reports (ISRs) provided to parents or guardians each year with test results on the Minnesota Comprehensive Assessments (MCAs).

We need parents or guardians to participate in focus groups to provide input on the redesigned reports we are working on for reporting Spring 2016 test results.

REDESIGN GOALS

- To deliver improved student reports that provide clear and concise explanations
- To provide a more graphical presentation of the summary of the test results
- Obtain feedback about if the new report is simple to understand
- Find out what information is most helpful
- Ask what additional information should be included

PARENT FOCUS GROUPS

Lunch or dinner is provided!

Monday 6/15, Rochester, 6:00pm to 7:30pm

RSVP at: <http://www.cvent.com/d/nrq3kv>
