

Bemidji Curriculum Review

Curriculum Review Committee:

The principals select the Curriculum Review Committee members to represent every grade and school, special education, and Title I for each subject being reviewed. The committee members meet after school as a whole group and by elementary, middle, and secondary level. Members are responsible for reporting back to their schools and fellow teachers, sharing their input at these meetings. Members review and pilot curriculum materials, attend presentations and trainings during the year of review, and align the selected curriculum to the Minnesota Academic Standards. In May the committee chairs present their process and curriculum selections to the District Curriculum Committee. All materials should be selected by May 1, and the committee chairs present their completed Course Outcomes to the Bemidji School Board in June.

Curriculum Review Schedule:

Curriculum is reviewed and updated annually using the following cycle:

2016-2017

Vocational
Education
FACS
Industrial
Tech

2017-2018

Language Arts
Media

2018-2019

Science

2019-2020

Social Studies

2020-2021

Math

2021-2022

Art
Music
World
Language
