Business

2018-2019

- Committee received copies of:
 - Meeting Minutes from May 2018
 - MN Statutes 2017 122A.60-1
 - District Staff Development General Fund Projections

2018-2019 Title I & Title II Staff Development

- Title I services is determined by free and reduced levels. The new Gene Dillon grade 4-5 elementary school will receive Title I funding for Targeted Assistance, whereas, the other Title I schools receive funding on a schoolwide basis. Data from MCA and MAP results will establish students needing academic assistance.
- North Star Report Data is shared along with possible actions the district may take to enhance student achievement.
- These elements establish indicators towards professional development.
