Sick leave may also be used for serious illness in the immediate family. For the purpose of this subdivision, (a) "serious illness" is defined as an illness of such a nature that a physician's attention is required; (b) "immediate family" is defined as spouse, parent, child (includes adult child), stepchild, sibling, grandparent, grandchild, or any member of the principal's household.

Subd. 2. Bereavement: In the event of death in the immediate family, up to five (5) consecutive days of leave may be used for bereavement. For the purposes of this subdivision, "immediate family" is defined as spouse, child, parent, stepchild, sibling, son-in-law, mother-in-law, father-in-law, daughter-in-law, brother-in-law, sister-in-law, grandchild, grandparent, spouse's grandparent or grandchild, or any member of the principal's household.

Subd. 3. Extended Bereavement: The Superintendent has the discretion to extend bereavement leave for the funeral of a person with whom the principal had a close, personal relationship, but who was not a member of the principal's immediate family. The Superintendent's decision is not subject to the grievance procedure and will not be considered as precedent in other cases.

Section 2. Workers' Compensation:

Subd. 1. Payment: Upon the written request of a principal who is absent from work as a result of compensable injury incurred in the service of the District under the provisions of the Workers' Compensation Act, the District will pay the difference between the compensation received by the principal pursuant to the Workers Compensation Act and the principal's regular rate of pay to the extent of the principal's earned accrual of sick leave.

Subd. 2. Formula: A deduction shall be made from the principal's sick leave accrual time according to the pro-rated portions of days of sick leave which are used to supplement workers' compensation, as follows:

$$\begin{array}{lcl} \text{i.e. Fraction of sick leave deducted} & & \text{Principal daily wage -} \\ \text{per day of absence} & = & \text{Daily workers' compensation} \\ & & \text{received by a principal} \\ & & \text{The principal's daily wage.} \end{array}$$

Subd. 3. Duration: Such payment shall be paid by the District only during the period of disability.

Subd. 4. Ceiling: In no event shall the additional compensation paid to the principal by virtue of sick leave pay result in the payment of a total daily, weekly, or monthly compensation that exceeds the normal compensation of the principal.

Section 3. Medical Leave of Absence:

Subd. 1. Request: A principal, upon written request to the Superintendent, shall be granted an unpaid medical leave of absence for the period of time during which that principal is unable to perform his or her regular duties due to sickness. The principal will, at his or her option and written request, be paid full salary for any contract days missed during the period of such absence up to the number of sick days accumulated by the principal on the date such leave commences. The number of days of such absence for which the principal elects to receive salary shall be charged against the number of unused sick leave days with which he or she is so credited.

Subd. 2. Notification: As soon as a principal knows that he or she will need a medical leave of absence, he or she shall notify the Superintendent in writing of the nature of the disability and the approximate date he or she expects to begin and end the leave. The Superintendent may refuse to grant a leave of absence (or withhold from the final paycheck a sum sufficient to cover additional expenses caused by untimely notice) to any principal who fails to provide timely notice of the need for such leave. Such notice shall be provided within ten (10) working days of the time the principal knows of the need for such leave.

Subd. 3. Statement of Disability: Upon commencing a medical leave of absence, the principal must sign a written statement indicating that, he or she is unable to perform regular duties because of sickness and that as soon as he or she is again able to perform regular duties, he or she intends to return to work. Upon commencing a medical leave of absence, the principal must also provide a statement signed by a doctor indicating that the principal is unable to perform regular duties due to sickness and the approximate date the doctor believes the principal should again be able to perform those duties. During the course of a principal's medical leave of absence, the district may request, at reasonable intervals, a similar statement from the principal's doctor.

Subd. 4. Medical Examination: The District reserves the right to require any principal on medical leave of absence to be examined by a medical doctor of the District's choosing for the purpose of obtaining that doctor's opinion as to whether the principal is able or unable to perform his or her regular duties. Such examination shall not be required of any principal more than once every other month and shall be at the sole cost of the District. The principal shall be provided with a copy of the doctor's written report. In the event that the examining doctor under this subdivision and the principal's treating physician disagree on the principal's ability to perform his or her regular duties, a third medical opinion by a physician mutually acceptable to the principal and the Superintendent shall be obtained by the parties as soon thereafter as practicable. If the parties fail to agree on a third examining physician within ten (10) calendar days, the two doctors already involved in the evaluation will select the third examining physician. The cost of obtaining the third opinion shall be split equally between the District and the principal. The opinion of the majority of the medical doctors will be decisive.

Subd. 5. Failure to Return: In the event that a principal fails to return to work within three (3) working days after he or she is medically certified to be able to perform his or her duties, the principal shall be deemed to have resigned his or her position with the District as of the date of his or her failure to return to work. The three (3) working days' requirement may be extended upon written application to the Superintendent when an extension appears to the Superintendent, upon consideration of surrounding circumstances, to be reasonably necessary to fulfill the purpose of this section.

Subd. 6. Childbearing and Childrearing: A leave of absence without pay shall be granted to a tenured principal for the purpose of childbearing and/or childrearing on the following conditions:

a) The principal shall be entitled, upon written request, to a leave of absence, not to exceed one year's duration, during the period of time between conception and one year after the child's birth date, when the principal is unable to perform her teaching duties for medical causes. Determination of such inability to perform duties shall be made by the principal and her physician. Said principal shall notify the Superintendent in writing of her inability to perform her duties at least thirty calendar days prior to the date on which her leave is to begin. Said principal shall include with such notice a physician's statement certifying the principal's inability to perform her duties. A principal who is pregnant may continue in active employment as late into her pregnancy as she desires, provided she is able to perform her duties.

b) The principal shall notify the Superintendent of her ability to perform her duties at least sixty calendar days prior to the date she intends to return to active employment from leave. At the end of the sixty day period, said principal shall be assigned the same position which she held at the time the leave commenced or, if such position is no longer in existence and the principal has not been terminated or placed on unrequested leave of absence, to a substantially equivalent one. These reemployment rights shall be afforded

to the principal for one full year from the date of the commencement of the initial leave of absence.

c) The provisions of Subdivision 1 of this section shall also be applicable to leaves granted for childbearing and childrearing.

Subd. 7. Duration: Notwithstanding any of the provisions above, the total medical leave provided for in this section shall not exceed a period of twelve months.

Section 4. Adoption: A principal adopting a child shall be entitled to a leave of absence without pay for not more than six months.

The leave shall commence thirty days after the principal furnishes the Superintendent with a written request for the leave or at such other time as mutually agreed to by the principal and Superintendent.

In the event that both adoptive parents are employees of the District, the leave provided for herein shall be granted to only one of the parents.

During such leave, the principal shall not commence any course of study in furtherance of his or her formal education, nor shall he or she engage in any employment, occupation, or profession.

Section 5. Professional Improvement Leave: Upon the recommendation of the Superintendent and approval by the School Board, principals who have rendered satisfactory service in this District for not less than seven (7) consecutive years may be granted a leave of absence for study and research for a semester or a full year, subject to the following provisions.

Subd. 1. Purpose: Professional Improvement Leave shall be granted as a privilege to principals who demonstrate a high degree of promise for the purpose of improving instruction in the District. Any Professional Improvement Leave that is granted must be consistent with this purpose.

Subd. 2. Application: Written requests for this leave will be submitted to the Superintendent during the month of March for consideration for the following school year and are subject to the approval of the Superintendent and the School Board.

Subd. 3. Benefits: Insurance benefits provided in this Agreement shall be maintained during said leave.

Subd. 4. Sick Leave: Sick leave shall not be earned during the leave. Sick leave accumulated prior to the leave shall be restored at the time of reemployment.

Subd. 5. Compensation: Compensation for a principal on Professional Improvement Leave shall be at a rate of 50% of the current principal's salary not to exceed \$40,000. This amount will be paid in equal, monthly installments during the leave period and will be subject to retirement and tax deductions.

Subd. 6. Agreement: A principal granted a Professional Improvement Leave shall agree, in writing, to return to the District for a period of two years immediately following the leave and shall sign a promissory note in an amount equal to the stipend granted. Upon return to regular employment, the note will be forgiven at a rate of one-half (1/2) of the total amount of the original note per year.

Subd. 7. Return to District: The principal on leave shall indicate his/her intent to return to the District by notifying the Superintendent's office in writing during the month of February of the year the leave, or the balance of the salary allowance for the leave of absence shall be canceled, and the principal shall be liable to the District for any salary received while on Professional Improvement Leave.

Subd. 8. Tuition Reimbursement: Principals on Professional Improvement Leave shall not be eligible for tuition reimbursement.

Subd. 9. Income Ceiling: Receipt of a scholarship, fellowship, or other grant is acceptable. However, if the combined income from financial aid and the Professional Improvement salary exceeds the salary for which the principal normally would be eligible, the Professional Improvement salary will be reduced proportionately. An affidavit identifying the amount of any financial aid received must be filed with the Superintendent.

Subd. 10. Interruption of Study: If the approved study is interrupted or canceled without fault of the principal, all payments and benefits under this section will cease, and the principal shall return to work for the District as soon thereafter as possible. If the principal causes the approved study to be interrupted or canceled, all payments and benefits under this section will cease. The principal shall return to work for the District as soon thereafter as possible, and the Superintendent may require the principal to reimburse the District for payments and benefits received under this section.

The maximum amount of annual contributions matched by the District is \$5,700 for **2021-2022 and 2022-2023**.

Subd. 3. Placement: Principals shall be placed on ULA in inverse order of seniority in the position and salary schedule position employed.

Subd. 4. Tie-Breaker: In the event of a reduction in number of principals creates a situation requiring that a choice be made among principals who have equal seniority, the selection of the principal(s) for purposes of reduction shall be at the discretion of the District based on criteria including performance, training, experience, skills in special assignments, and other relevant factors.

Subd. 5. Years of Service: Any principal placed on such leave may engage in administrative work or any other occupation during such period and such leave will not result in a loss of credit for years of service in the District earned prior to the commencement of such leave.

Section 4. Reinstatement:

Subd. 1. Process: No new principal shall be employed by the District while any qualified principal is on ULA. Principals placed on ULA shall be reinstated to the positions from which they have been placed on ULA or any other available position in the District in which they are qualified as such positions become available. The order of reinstatement shall be in inverse order in which principals are placed on ULA.

Subd. 2. Notices: When placed on ULA, a principal must file his/her name and address, to which any notice of reinstatement or availability of position shall be mailed, with the human resources office. Proof of service by the person in the District depositing such notice to the principal at the last known address shall be sufficient. The principal on ULA shall be responsible to provide an address for forwarding of mail or for address changes. Failure of a notice to reach a principal shall not be the responsibility of the District if any notice has been mailed as provided in this article.

Subd. 3. Acceptance of Re-employment: If a position becomes available for a qualified principal on ULA, the District shall mail the notice to such principal as provided above. The principal shall have ten (10) days from the date of such notice to accept re-employment. Failure to accept

re-employment, in writing, within such ten (10) day period shall constitute a waiver on the part of the principal to any further rights of employment or reinstatement, and that principal shall forfeit any future reinstatement or employment rights.

Subd. 4. Reinstatement Rights: Reinstatement rights shall automatically cease three (3) years from the date ULA was commenced, and no further rights to reinstatement or other benefits under this agreement shall exist.

Section 5. Effect: This article shall be effective at the beginning date of this Agreement and shall govern all ULAs until a new agreement is officially signed and ratified. This article shall govern all principals, as defined in Section 2., Subd. 1. above, and shall not be construed to limit the rights of any other licensed employee not covered by the agreement or other agreement affecting such licensed employee.

Section 6. Exercise of Seniority: Nothing in this article shall allow a principal to receive a promotion during the ULA process. Principals may not assert a seniority right into a position that is promotional.

Section 7. Procedure: Any challenge by a principal who is proposed for placement on ULA or reinstatement therefrom shall be subject to the hearing and review procedures, as provided in M.S. 122A.40, Subd. 14., and, therefore, shall not be subject to the grievance procedure.

ARTICLE XIII GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A "grievance" shall mean an allegation by a principal resulting in a dispute or disagreement between the principal and the District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

Section 2. Representative: The principal or District may be represented during any step of the procedure by a person or agency designated by such party to act in the party's behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in the Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver: A grievance shall not be valid for consideration unless the grievance is submitted in writing to the District's designee, setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within twenty days after the date of the event giving rise to the grievance occurred. Failure to file any grievance within such

period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the principal and the District's designee.

Section 5. Adjustment of Grievance: The District and the principal shall attempt to adjust all grievances which may arise during the course of employment of any principal within the District in the following manner.

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the District designee shall give a written decision on the grievance to the parties involved within ten days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the discussion rendered may be appealed to the Superintendent, provided such appeal is made in writing within five days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or designee shall set a time to meet regarding the grievance within fifteen days after receipt of the appeal. Within ten days after the meeting, the Superintendent or designee shall issue a decision in writing to the parties involved.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within five days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance within twenty days after receipt of the appeal. Within twenty days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level and report its findings and recommendations to the School Board. The School Board shall then render the decision.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decisions.

Section 7. Denial of Grievance: Failure by the School Board or its representative(s) to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the principal may appeal it to the next level.

Section 8. Arbitration Procedure: In the event that the principal and the District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing, signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request an arbitrator, pursuant to P.E.L.R.A., providing such request is made within twenty days

after request for arbitration. The request shall ask that the appointment be made within thirty days after the receipt of said request.

Subd. 4. Submission of Grievance Information: Upon appointment of the arbitrator, both parties shall, within five days after notice of appointment, forward to the arbitrator, with a copy to the other party, the submission of the grievance which shall include the following:

- a) The issues involved.
- b) Statement of the facts.
- c) Position of the grievant.
- d) The written documents relating to Section 5. above.

Subd. 5. Hearing: The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by in P.E.L.R.A.

Subd. 7. Expenses: Each party shall bear its own expenses in connections with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript for recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such transcript shall pay for such copy.

Subd. 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein, nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the District, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issues in dispute, in his/her order the arbitrator shall give due consideration to the statutory rights and obligations of the School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

ARTICLE XIV DURATION

Section 1. Term and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing July 1, **2021**, through June 30, **2023**, and thereafter until modifications are made pursuant to P.E.L.R.A. If either party desires to modify or amend this Agreement commencing on July 1,

2023, it shall give written notice of such intent no later than May 1, **2023**. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 90 days prior to the expiration of this Agreement.

Section 3. Finality: Any matters relating to the current Agreement term, whether or not referred to in this Agreement, shall not be open for negotiations during the term of this Agreement.

Section 4. Severability: The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provisions thereof.
