

STUDENT PERSONNEL
COOPERATIVE AGREEMENTS

In general, it is the belief that co-curricular activities are developed and funded for the benefit of enrolled students. Co-sponsorship exceptions between school districts will be rare and occur only after public input and Board of Education action.

Any request for exceptionality must have the following conditions met before consideration by the Board of Education is taken.

- A. State a beginning and ending date of the agreement.
- B. Include a detailed list of programs to be included.
- C. Have a recommendation from the Activities Director.
