

STUDENT PERSONNEL: STUDENT INITIATED MEETINGS

In order to afford a fair opportunity to students who wish to conduct meetings in the schools, and in accordance with the provisions of the Equal Access Act, a "Limited Public Forum" is hereby declared to exist in the Senior High School. However, such Forum does not exist in the Middle School.

Non-curriculum related student groups who wish to conduct meetings on school premises may do so, subject to the following provisions:

1. The request for such meetings must be given to the Senior High School Principal and Activities Coordinator at least one week prior to the scheduled meeting.
2. All such meetings must be held during non-instructional time. For the purposes of this policy, non-instructional time is defined as that time prior to 8:00 a.m. and after 3:45 p.m. on days when school is in session.
3. Non-school personnel may not direct, conduct, control or regularly attend the activities of student groups.
4. Such meetings may not materially and substantially interfere with the orderly conduct of the educational activities (curricular and co-curricular) of the school.
5. Such meetings must be student initiated and attendance by students must be voluntary.
6. In order to provide adequate supervision, a school district employee must be in attendance at all such meetings conducted under the provisions of this policy. However such employee may not attend such meetings during his/her normal duty hours, and as an employee of the district is expressly prohibited from participating in the activities of the meeting.
