AEC Families,

I am writing to inform all of our families of a change in location for our AEC program. We will be **closing our building at 802 Paul Bunyan Drive SE in Bemidji**. Our last student day at our current location will be on Tuesday, May 11. We will be moving our program inside the Bemidji High School building with in-person instruction beginning on Monday, May 17. Our AEC program will be sharing the Lumberjack High School area with our Lumberjack High School program. The district's reasoning behind this is to make all services for our students up to age 21 more cohesive, effective, and efficient; this movement is also part of our steps to address our district's budgetary shortfalls.

In an optimal situation, we would physically move over the course of the summer; however, our lease will be ending in May. To be sure that we move at a time that is not detrimental to students' progress toward graduation, we will be following the schedule below:

May 11	Last student day at 802 Paul Bunyan Drive SE
May 12 & 13	Students work virtually - join Google Meets with assigned teacher(s)
May 17	AEC teachers open for in-person instruction at the Bemidji High School (BHS) located at 2900 Division Street W
May 29	<i>GRADUATION *</i>
June 3	Last day of school
June 14 - July 22	AEC Summer School at BHS starting the week of June 14th * Tuesdays & Thursdays from 1:00 - 4:00 PM

* Details to be sent out soon for Graduation and 2021 Summer School.

I want to thank all of our families in advance for your flexibility and understanding. If you have any questions or concerns, please feel free to contact me at jason_stanoch@isd31.net or (218) 444-1600 ext. 63305.

Thank you,

Jason Stanoch Ed.D.
Bemidji Alternative Education Center Principal
