Please complete and save a copy for your records on your home computer and on your BHS server space. Make extra copies to give with your requests for letters of recommendation. Please consider using a format that will allow you to use this as a resume when applying for scholarships and employment opportunities. You may also make a shortened version to use for an employment resume such as the information on the first page. Remember this is not meant to be perfect or complete...you will change and add to your resume for many years.
