• Accelerated Reader

- All students enrolled in reading class will have quarterly AR Goals

• Daily Reading

- One of the best things you can do for your child is to encourage this habit. An easy way to accomplish this is to enforce the rule that electronics/tv can only be used after 20-30 minutes of reading. The more they read, the better readers they will become.

• PPR = Positive Peer Relations

- Weekly Social Emotional Lessons

TIPS FOR SUCCESS

ASSIGNMENTS

Use of a blue assignment sheet is required. Delta teachers record the daily assignments on the board every day. Students are given time to copy each assignment. Completed assignment sheets are turned in every other Monday and new copies are handed out.

Sign up for Remindme: 81010 text @ba2chb You will receive a daily text of assignments as well as any special pod announcements/reminders.

Helpful Ideas

- Schedule a daily work time with your child.
- Arrange a quiet homework area without music, phone, or T.V.
- Help your child organize what needs to be done.
- Check over blue assignment sheet
- Monitor how well he/she is using the time.

DELTA SCIENCE

donation

DEAR DELTA FAMILIES,

Delta science students will be involved in many labs and hands-on activities throughout the school year investigating our Earth and Universe. I am asking all families who are able to contribute a **\$10 lab donation**. The donation is voluntary. Some examples of what the money will be used for are consumable items such as ice, food coloring, craft sticks, batteries, sugar, salt, cooking oil, etc.

Checks may be made payable to BMS.

Thank you for your support of our science program! I look forward to a great year with your child.

Sincerely,

Madeline Meiers
