

Bemidji Community Education Summer Band Lessons – 2020

Dear Band Parents/Guardians:

To help give your son or daughter an early start towards musical enjoyment and success, or enhance the skills they have learned so far, the Bemidji Middle School Music Department, in cooperation with Community Education, will once again be offering Summer Band Lessons. This program is for beginning band students (going into 6th grade) as well as current middle school band students.

The program will follow guidance from the CDC and Minnesota Department of Health concerning social distancing. Parents will be required to sign a waiver prior to registration dealing with program protocol and behavior expectations. In addition, parents will be required to drop students off curbside at BMS with the students then going through a screening process before entering the building.

The program consists of five weekly lessons, June 22 – July 21. Thirty minute time slots are available Mondays from 12:00 – 6 p.m., or Tuesdays from 8:30 a.m. to 2:00 p.m. and are scheduled once a week for a total of five lessons. One make-up time will be offered if conflicts arise.

The cost per student is \$65.00. Students are responsible for their own instruments, books and other materials pertaining to his/her instrument. Lessons will be held at the Bemidji Middle School Band Room 305.

Do you need an instrument? Please do not purchase one off the internet! Popplers Music Store will be available on Wednesday, June 17 from 4-6:00 p.m. in the BMS band room.

For additional information, contact Janet Weaver or Jeff Sands at 333-3215 ext. 53041 or Community Education at 333-3284 ext. 35306

Registration available June 5 online at: bemidjicommunityed.com
