

## HORACE MAY ELEMENTARY SCHOOL

502 Minnesota Ave NW ■ BEMIDJI, MINNESOTA 56601 ■ 218-333-3240

### Quarter 4 Grading Procedures May 2020

#### **Bemidji K-5 Elementary Schools**

***Central Elementary, Horace May Elementary, J.W. Smith Elementary, Lincoln Elementary, Northern Elementary, Solway Elementary and Gene Dillon Elementary***

The Bemidji K-5 Elementary Schools will follow a P-Pass or U-Ungraded grading system. Students will receive a **P-Pass** if the student has participated in their learning. Students that provided limited attendance, participation, communications, and work on classroom assignments will receive a **U- Ungraded** for the quarter.

- Students who receive a U may be required to participate in alternative or extended learning opportunities to make improvements in the areas that they struggle in the following school years.

This COVID19 grading plan was established through the direction from the Minnesota Department of Education, Bemidji Principals and other administration, and the approval of the Bemidji School Board.

Grading questions should be first addressed with your child's classroom teacher and then with the principal. Please contact them through your Distance Learning communication platform.

Respectfully,

Kathy Van Wert  
Horace May Principal
