# SOLWAY ELEMENTARY SCHOOL

---

SOLWAY, MINNESOTA 56678      218-467-3232  
Bemidji Area Schools      Brian Stefanich, Principal

Term 4 Grading procedures  
June 3, 2020

Solway Parents & Students;

## **Bemidji K-5 Elementary Schools**

*Central Elementary, Horace May Elementary, J.W. Smith Elementary, Lincoln Elementary, Northern Elementary, Solway Elementary and Gene Dillon Elementary*

The Bemidji K-5 Elementary Schools will follow a P-Pass or U-Ungraded grading system. Students will receive a P-Pass if the student has participated in their learning. Student that provided limited attendance, participation, communications, and work on classroom assignments will receive a U-Ungraded for Term 4.

- Students who receive a U may be required to participate in alternative or extended learning opportunities to make improvements in the areas that they struggle in the following school years.

This COVID 19 grading plan was established through the direction from the Minnesota Department of Education, Bemidji Area School principals, District administrators and approved by our Bemidji Area Schools School Board of Education.

Any questions regarding the grading should be addressed with your child's classroom teacher and then with the principal.

Thank you and GO TIGERS!!!

Brian Stefanich  
Principal.
