

Did you know that Bemidji Area Schools accepts
part time enrollment of homeschool students?

Bemidji Area Schools is inviting resident homeschool families to partner with us as we proudly provide an extensive range of educational and extracurricular opportunities.

Check out the Opportunities Offered at Bemidji High School

- Bemidji High School has the largest course offerings available to students in this part of the state, providing opportunities in a variety of interest areas.
- Our Career Academies are leading the state with the highest level of Career and Technical Educational courses, resources, and real-world experiences. We provide access to internships, training, and employment opportunities throughout our community with partnerships that are second to none.
- BHS has one of the most comprehensive Advanced Placement and 'College in the High School' programs of study in northern Minnesota.
- We offer over 65 extracurricular activity choices including both major and minor sports, Show Choir, Mock Trial, Science Olympiad, National Honor Society, Robotics, American Indian Drum & Dance, and so many more!
- We also offer a full range of musical options such as Band, Choir, and Orchestra. Our students regularly attend high-level post-secondary music programs in both the United States and Canada.
- We have one of the few Jr. ROTC (Reserve Officer Training Corps) Programs in northern MN, providing students an opportunity to explore military service and leadership.
- Our staff provides high levels of student supports to ensure students feel valued and a vital part of our school community.

So Many Great Options at Bemidji Middle School

- Bemidji Middle School provides educational opportunities in more than 25 different elective courses, helping students in our community have a variety of options to receive a balanced education.
- BMS offers unique elective classes including, but are most certainly not limited to, Creative Expressions, Film Studies, Forestry, Foods Around the World, Ojibwe Language and Culture, and Grossology.
- We also have elective course opportunities such as Band, Choir, Orchestra, multiple Art and Industrial Technology classes, and STEM (Science, Technology, Engineering, Math).
- Our extra-curricular athletics are comprised of selections such as Football, Soccer, Tennis, Cross Country, Volleyball, Swimming, Basketball, Wrestling, Nordic Skiing, Dance, Baseball, Softball, Golf, and Track.
- Extra-curricular activities are also available in Jazz Band, Show Choir, Knowledge Bowl, Math Counts, Robotics, Speech, National Jr. Honor Society, and many more!
