

## DOCUMENTS REQUIRED FOR ENROLLMENT

---

Every school district requires identification of each student as a condition of enrollment, which must be under a student's legal name as shown on that student's birth certificate or other legal document. The parent or legal guardian must furnish documentation of the student's identity, age, immunization and residence. No student may be denied enrollment solely because of failure to meet the documentation requirements. Enrollment is provisional, however, pending receipt of the required documentation and verification of eligibility.

Please note \*\* If you are in a temporary living arrangement (shelter, camper, doubled up, etc.), please contact Eileen at 218-368-1059 for enrollment support.
