PM Parking Chart

---

2024-2025

The buses should line up like this. However on occasion 30 gets there before 183. If this should be the case 183 should pull in behind bus 30, but leave enough room to go around bus 30.  
Bus 183 leaves @ 3:07  
Bus 30 leaves @ 3:10.
